

Departmental shredder DAHLE BaseCLASS

40334

Powerful motor for high shredding capacity, particularly quiet. Solid-steel cutters in special high-grade steel can cope with paper clips and staples. User-friendly electronics with electronic start/stop function controlled by integrated light barrier. Ergonomically designed control panel with illuminated function and information unit. Simple and safe paper infeed. Motor cuts out automatically when waste bag is full and door is open. Auto-reverse function. Energy saving from two inactivity levels: Sleep mode after 10 minutes and complete shut-down after 30 minutes. Widely opening door for convenient waste bag disposal. Good mobility from large casters and brakes for firm standing. High-quality wooden base cabinet. Including 10 waste bags and 400 ml of oil.

- 5-year warranty on solid-steel cutters
- Handled correctly, document shredders come with a 2-year warranty on proper working order
