HP Color LaserJet Enterprise flow MFP M880 series

M880z • M880z+ NFC/Wireless Direct

(HP Color LaserJet Enterprise flow M880z Multifunction Printer shown)

HP Color LaserJet Enterprise flow MFP M880 series

HP Color LaserJet Enterprise flow MFP M880z

- ¹ Touch-to-print capability is standard in the HP Color LaserJet Enterprise flow MFP M880z+D7P71A model, and may be added as an option to the HP Color LaserJet Enterprise M880z+ A2W76A and M880z A2W75A. Mobile device must support near-field communications-enabled printing. For a list of supported devices, see hp.com/ao/mobileorinting
- ² HP Flow CM is not available in all regions. Network connection is required to upload and download files. Additional software and licenses may be required.
- ³ The HP Universal Print Driver is free and available for download at hp.com/qo/upd
- ⁴ Supports OS X[®] Lion, OS X Mountain Lion, and the following devices running iOS 4.2 or later: iPad[®] (all models), iPhone[®] (3GS or later), and iPod touch[®] (third generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Wireless performance is dependent on physical environment and distance from the access point. OS X, iPad, iPhone, and iPod touch are trademarks of Apple[®] Inc., registered in the United States and other countries. AirPrint™ and the AirPrint logo are trademarks of Apple Inc.
- ⁵ Paper-handling options must be purchased separately.
 ⁶ Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See <u>hp.com/go/mobileprinting</u> for more details.
- ⁷ HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin
- ⁸ HP Imaging and Printing Security Center must be purchased separately.

This top-of-the-line enterprise MFP helps streamline workflows and accelerate document tasks—with advanced finishing options and file sharing. Give users simple, direct access to this MFP through mobile printing and touch-to-print capabilities.⁶

Top features

Give workgroups the speed they need

- Let departments scan without worry. HP EveryPage detects potential errors or missed pages on the spot.
- Manage content in a way you never thought possible with HP Flow CM Enterprise.²
- Forget email. Let employees scan and send documents to Microsoft[®] SharePoint[®] in one step.
- Make it easy to be efficient with an intuitive touchscreen and large pull-out keyboard.

Keep business moving

- Save on both sides—capture documents faster with two-sided, single-pass scanning.
- Create easily searchable scanned files, using built-in optical character recognition software.
- Save IT time and make printing easy for the entire company by using a single driver for all HP devices.³
- Let employees bind big jobs faster using the built-in finishing options.⁵

Mobile printing—more efficient

- Mobile printing at a touch—enable touch-to-print convenience from mobile devices.¹
- Let employees print from mobile devices with built-in print capability or HP ePrint app and software.⁶
- Give users the power to print wirelessly from an iPad®, iPhone®, or iPod touch®.⁴

Invest once, expand easily, and manage efficiently

- Expand your options. Easily upgrade firmware on your schedule. Easily integrate solutions or devices at will.
- Help build business efficiency. Centrally monitor and control printers with HP Web Jetadmin.⁷
- Apply fleet-wide policies to help protect your HP devices with HP Imaging and Printing Security Center.⁸
- Confidently safeguard the sensitive data sent to your MFP with the HP High-Performance Secure Hard Disk.

HP Color LaserJet Enterprise flow M880z+ NFC/Wireless Direct MFP Printer shown

- 1 NFC/wireless for direct wireless printing, touch to print
- 2 Hardware integration Pocket for solution integration
- 3 Stapler/Stacker
- 4 Webjet Admin, Universal Print Driver, OXP
- 5 500-sheet input tray
- 6 Auto-on/Auto-off
- 7 200-sheet Auto Document Feeder with HP EveryPage, full sized keyboard, switchable background, Scan to Sharepoint/FlowCM & OCR
- 8 Full 8" pivoting light touch SVGA Colour Control Panel with FutureSmart firmware & scan preview
- 9 Easy Access USB port
- 10 100-sheet MP Tray, with long paper extension
- 11 Built-in auto duplex
- 12 Encrypted HDD

EcoHighlights

HP Color LaserJet Enterprise flow MFP M880 series

• HP Auto-On and Auto-Off Technology capabilities subject to printer and settings.¹

ENERGY STAR[®] qualified Join HP in more sustainable printing ENERGY STAR hp.com/ecosolutions

 $^{\rm 1}$ HP Auto-On/Auto-Off Technology turns the MFP On when you need it and Off when you don't.

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

Optimized Care (optimum performance and stability): 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Standard Care (high level of uptime): Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Basic Care (minimum recommended support): Next Business Day Onsite Support

4 hr Onsite Support: Onsite support within four hours after a service call received within the coverage window

Next Business Day Onsite Support: Onsite service the next business day after the service call is received

Maintenance Kit Replacement Service: Onsite replacement of your printer's maintenance kit including parts, materials, and labor

Installation with Network Configuration Service: Assembly, network configuration, and basic administrator familiarization

For more information about HP Care Pack, HP Contractual, or HP Managed Print Services, visit <u>hp.com/go/printservices</u>

Hewlett-Packard offices

For the following countries, please fax your queries to: (65) 6275 6707 Bangladesh • Bhutan • Brunei • Cambodia • Maldives • Nepal • Pakistan • Srilanka For more information, please visit us at <u>hp.com/apac/homeandoffice</u>

¹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <u>hp.com/go/printerclaims</u>. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

² Requires an Internet connection to the printer. Feature works with any connected Internet- and e-mail-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see <u>hp.com/go/eprintcenter</u>. And for additional solutions, see <u>hp.com/go/mobile-printing-solutions</u>. Supports the following devices running iOS 4.2 or later: iPad®, iPad® 2, iPhone® (3GS or later), iPod touch® (3rd generation or later). Works with HP's AirPrint[™] enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the U.S. and other countries.

³ Scan speeds measured from automatic document feeder when scanning to digital file. Actual speeds may vary depending on scan resolution, network conditions, computer performance and application software.

⁴ First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see <u>hp.com/go/printerclaims</u>. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

⁵ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Colour LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

⁶ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

⁷ Configurations tested included colour and mono printing, simplex and duplex printing, and 110 VAC and 220 VAC units at 46 ppm.
