## IntelliFAX-2940

### High-speed faxing for your home office or small office

The IntelliFAX-2940 offers fast fax communication in a compact design making it ideal for home offices or small offices. It offers convenience copying, a generous input paper capacity and a USB interface for future printing capability<sup>†</sup>, up to 24ppm. It also has password-protected faxing and a 2-line LCD with a green backlight. Using the Brother PC Fax send software<sup>‡</sup>, you can send faxes directly from your computer to help save paper and time. Also, an optional high capacity replacement toner cartridge<sup>\*</sup> is available to help lower your cost per page.
